

Avui és Sant Jordi
busco espigues d'ordi;
el cavaller mor el drac
i el fica dins d'un sac.

Entre l'ordi una rosa
de tija verdosa,
punxes com anells
i pètals vermells.

El cavaller a la princesa
li vol regalar
la rosa vermella
tan sols per a ella.

Today is Saint George's Day
I search for ears of barley;
The knight kills the dragon
And puts it in a sack.

Among the barley, a rose
With a greenish stem,
Thorns like rings
And red petals.

The knight
Wants to gift the princess
The red rose
Only for her.
